

Summer Slam Tournament

July 25-27

Welcome to the 2025 NorthEast Wildcats Summer Slam Tournament. We want to thank you all for participating in this tournament. The tournament will begin on Friday and continue through Sunday. All games will be played in the Windham, NH area, and field information can be found on the FPN website. The Windham Center School will act as the tournament headquarters.

1. The current National Federation of High School (NFHS) Softball Rules and Regulations will apply to Fastpitch Nation Park Tournaments unless modified below in this document. The NFHS Softball Rules Book is Available for purchase on the NFHS website. It is the responsibility of ALL coaches to be familiar with the playing rules.
2. At least one Umpire-In-Chief (UIC) will be on-site during Tournaments. In the event an on-field issue cannot be resolved by the field umpires, the UIC will be called to the field.
3. Tournament Formats: Pool Play to single elimination or double elimination (Unless determined otherwise by the Tournament Director).
4. Games
 - a. All games will have time limits except the finals.
 - i. Pool Games
 1. The game length is 1:20. Complete the inning, if necessary
 - a. If the home team is ahead and batting when the time expires, the game is over.
 - b. Pool games can end in a tie.
 - c. The international tiebreaker is used for Elimination games.
 - d. No new inning after 1:20.
 - ii. Elimination Games
 1. The game length is 1:20. Complete the inning if necessary.
 - a. If the home team is ahead and batting when the time expires, the game is over.
 - b. No new inning after 1:20.
 - iii. Semi-final Games
 1. The game length is 1:20. Complete the inning if necessary.
 - a. If the home team is ahead and batting when the time expires, the game is over.
 - b. No new inning after 1:20.
 - iv. Finals Games
 1. 7 Innings (6 Innings for 10U) No time limit
 - a. If the home team is ahead and batting at the end of regulation, the game is over.
 - b. International Tie Breaker
 - i. Implemented in an Elimination game that ends in a tie after regulation.
 - ii. Implemented if a Finals game ends in a tie after regulation.
 - c. Choosing Home or Away Team
 - i. During pool play, a coin toss determines home and away.
 - ii. The choice of a dugout is first-come, first-served.
 - iii. In a single-elimination tournament, the higher-seeded team has the option to play at home or away.
 - d. Every effort will be made to complete every scheduled game within the expected time limit. In the event of weather delays, darkness, or an unforeseen circumstance, the Tournament Director reserves the right to adjust the time limits of all remaining games and/or modify the tournament format to reach a conclusion and determine a winner. It is also the Tournament Director's discretion if standard "official game" rules (3 innings or 2 ½ if the home team is ahead) are used or another means, such as "complete the batter," to complete the game and determine a game's winner.
 - e. In a single-elimination Championship game called due to weather, darkness, or an uncontrollable/unforeseen circumstance, and the game is tied, the higher-seeded team from pool play shall be declared the winner and awarded one run.

- f. If, due to weather or other circumstances, games are changed from "complete the inning" to "complete the batter," this is the procedure to determine a game's final score.
 - i. The home team can win with the runs they score in their half of the inning but cannot lose or tie in their half of the inning if the home team is ahead entering the final inning. The away team takes the lead or ties in their last at-bat since the home team did not also get a complete three outs in the same inning. In this case, the score reverts to the previous completed inning, and the home team wins by the score at the end of that inning.
 - ii. If the away team is ahead entering the final inning and the home team ties the game when time expires, the game is a tie, regardless of the number of outs played. Since the home team has already tied the game, it cannot revert to a previous inning where they would be the losers. In elimination play, one run is awarded to the higher seed to break a tie.
 - iii. If less than one inning has been played, the game will be declared a "no game," and no score for either team will be recorded.
5. Pool play seeding and tie-breaker criteria:
 - a. Total Number of Wins, followed by
 - b. Winning Percentage, followed by
 - c. Average Runs Allowed (total runs allowed / games played), followed by
 - d. Average Runs Scored (total runs scored / games played), followed by
 - e. Season Points that are earned before the event being played, followed by
 - f. Date/time the team registered in the system for the season (Ascending).
 - g. Head-to-head is used only in situations where only two teams are tied at any level in the tiebreaker chain. If more than two teams are tied in any criteria, then head-to-head is ignored.
6. The game is in the umpires' control on the field.
7. Teams must be prepared to play 15 minutes before game time. If circumstances permit, the umpires will start games early.
8. Our tournament utilizes Double First bases on all fields. Please familiarize yourself with the double first base rules in the NFHS rulebook.
9. The manager is required at the plate conference (payment to the umpires is made at this time).
10. The manager is legally responsible for all the team's equipment.
11. The manager is responsible for the team's spectators' actions.
 - a. Spectators and parents associated with a team are the responsibility of the Manager. It will be the manager's responsibility to control their team's spectators, which may include ejection.
12. The clock begins immediately after the pre-game plate conference.
 - a. Game time is in the control of the umpires.
 - b. The clock is not stopped for any reason except in this circumstance:
 - i. The clock is stopped if an injury requires the injured person to remain on the field while an ambulance is called to transport them. The UIC and Tournament Director are the only people authorized to stop the clock.
 - ii. Once the clock is officially stopped, time is never added back onto the clock unless authorized by the UIC or Tournament Director.
13. Run Ahead (Mercy) Rules are in effect for all games in the tournament, including the finals – (14 runs after two innings; 12 runs after three innings; 10 runs after four innings; 8 runs after five innings).

17. Bats – NFHS Softball recognizes and utilizes USA Softball's certification process. For a bat to be legal for use in NFHS and PlayFPN games, it must be marked with the ASA 2000, 2004, or USA Softball All-Games Certification Mark. All bats that are approved by USA Softball, formerly ASA, for use in fastpitch play shall bear one of the markings shown below. Additionally, any bat with one of these certification marks must not appear on the list of the USA Softball Non-Approved Bats with Certification Marks
 - a. USA Softball Non-Approved Bat List: <https://usa.asasoftball.com/e/BB1P2000.asp>
 - b. When the batter enters the batter's box with an altered or non-approved bat and the infraction is detected before the next legal or illegal pitch, they are called out. The batter and the Manager are also ejected. All runners must return to the base occupied at the time of the pitch, unless they were put out on the play.
18. Line-Ups/Rosters – There are multiple options for using a lineup.
 - a. Traditional line-up with or without substitutes.
 - b. Traditional line-up utilizing two APs with or without substitutes.
 - i. Up to two Additional Players (APs) can be used to increase the batting order to 10 or 11 batters. The AP(s) will be placed in the batting order in the positions to be occupied. The AP(s) can also be used on defense (only nine defensive players in the field), but must keep the same position in the batting order. The AP(s), if used, must be selected before the start of the game, and their name(s) must be included on the line-up card presented to the Umpire. Failure to declare the use of the AP(s) before the game precludes the use of the AP(s) in that game. If a pinch-hitter or pinch-runner is used for an AP, that player becomes the new AP. The original AP(s) may re-enter like any other player under the re-entry rule. If an AP is used, the position must be used for the entire game.
 - ii. APs may play defense for any player who is still in the lineup and bats.
 - iii. If the AP plays defense for the Flex, the Flex leaves the game and counts as a substitution when she re-enters.

- c. Traditional line-up utilizing two APs with or without substitutes and utilizing the DP/Flex option (Max 11 Hitting).
 - d. Roster or continuous batting, where everyone in the lineup hits, is allowed in all games in the tournament. However, there are no substitutions. This means all players in the lineup will bat. APs and DP/Flex can still be used.
 - e. NOTE: Whichever lineup is used, it must be declared when lineups are exchanged at the plate conference and remain in effect throughout the game.
19. Pitchers – Please familiarize yourself with the pitching rules outlined in the NFHS rulebook.
- a. Before starting inning #1... Five warm-up pitches. Three warm-up pitches every inning thereafter. The new pitcher gets five to begin thereafter.
 - b. No sticky or tacky substances, such as pine tar or rock rosin, may be used as a substitute for a powdered drying agent, such as legal rosin bags. Gorilla Gold grip enhancer towels are legal.
 - c. A towel is permissible for a pitcher to possess in either the rear pocket or tucked into the rear of the uniform pants. However, if deemed distracting by the home plate umpire, the towel must be adjusted at the home plate umpire's discretion.
 - d. Each field has unprotected bullpens. Pitchers can warm up down the first & third foul lines, throwing outward towards the outfield fence, and MUST have a spotter.
20. Courtesy Runners – will be allowed for the catcher and pitcher at any time by a legal courtesy runner. If a team does not have a legal substitute remaining in their lineup, they can use the Last Completed At-Bat as a courtesy runner, subject to the same rules and restrictions as regular courtesy runners.
21. Ejections –
- a. If a Manager, Asst. Coach or Team Personnel, or someone other than a player, gets ejected from the game, they must leave the vicinity (out of sight, out of mind) of that playing field immediately and be prohibited from any further contact (direct, indirect, or electronically) with the team during the remainder of that game. Failure to leave or comply will result in a team forfeit. Any ejection deemed extreme by the UIC and Tournament Director may warrant an additional game ejection. Any threat made against an official will result in ejection from the Tournament and may involve law enforcement. It is the Tournament Director's discretion whether further penalties are warranted.
 - b. Suppose a player is ejected and a parent or legal guardian is present. In that case, the player and parent must leave the vicinity (out of sight, out of mind) of that playing field immediately and be prohibited from any further contact (direct, indirect, or electronically) with the team during the remainder of that game. If a parent or legal guardian is not present, the player will be restricted to the bench under the supervision of an adult. An ejected player will be able to play in the next game. Any ejection deemed extreme by the UIC and Tournament Director may warrant an additional game ejection. Any threat made against an official will result in ejection from the Tournament and may involve law enforcement. It is the Tournament Director's discretion whether further penalties are warranted.
 - c. If a parent/spectator is ejected, they also must leave the vicinity (out of sight, out of mind) of that playing field. Ejection will be for one game only. Any ejection deemed extreme by the umpires may warrant an additional game ejection. Any ejection considered extreme by the UIC and Tournament Director may warrant an additional game ejection. Any threat made against an official will result in ejection from the Tournament and may involve law enforcement. It is the Tournament Director's discretion whether further penalties are warranted.
22. Protests –

 - c. If the eligibility protest is upheld after the game is completed, the game shall stand as played. However, the offending player is ejected from the remainder of the tournament, and the manager is ejected from the next game to be played.
 - 2. During Bracket Play

- a. Protests on player eligibility must be made before the completion of the game. If a player eligibility protest cannot be resolved at the time of the protest, the game shall be completed.
- b. If the eligibility protest is upheld before the game is completed, the offending team forfeits the game in progress.
- c. If the eligibility protest is upheld after the game is completed but during the tournament, the game shall stand as played. However, the offending player is ejected from the remainder of the tournament, and the manager is ejected for the next game.
- d. If the eligibility protest cannot be resolved before the tournament concludes, the process will be nullified.

- h. Players added to a roster (other than as described in 23g) after a team has started their first game would be considered illegal players and subject to the rules prescribed.
