

Who Was Kristen-Leigh Mantiglia?

Plaque on the wall of WHS Home Dugout

Kristen-Leigh “Tiggy” was an energetic, committed, and talented softball player who graduated from Wolcott High School in 2005. She was an incredible pitcher and outfielder who went on to play softball at WCSU. In January 2007 while on vacation in Florida, she was tragically killed in an ATV accident. The home dugout of the WHS Softball field is dedicated in her memory. Kristen-Leigh had a tremendous smile and passion for softball. WCT Eagles 14U are proud to sponsor this tournament in her memory and to donate proceeds to a scholarship that will benefit a WHS senior planning to play softball in college.
